Dear Secondary School Students and Parents,

On behalf of the staff and faculty, I hope this letter finds you enjoying a relaxing, fun and wonderful summer with your friends and family. Reflecting on this year, we cannot help but be very proud of our students' accomplishments. We have a great community of learners at Lopez Middle/High School, and we are continually working to provide each student with options that meet their individual level of success.

Enclosed please find:

Semester Two Report Cards
2018-2019 Secondary Schedule
Individual Student Schedule

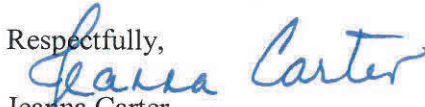

I will be available to discuss schedule additions/changes starting August 23, 2018. Students will have the option of changing/dropping a class during the first week of school (September 4 through September 11, 2018), by filling out a schedule change request form. Required class changes need parent/guardian and school counselor permission. After the first week students need to submit a written schedule change signed by parent/guardian and initialed by teachers involved in the change of schedule. The school counselor must approve the change.
