Pandemic, P-EBT for School Year 2020-21

Great news: Families don't have to apply for the P-EBT Program! If your child is eligible for free or reduced-price school meals, they may automatically qualify. Families should make sure a current mailing address is on file at their school & are encouraged to fill out a school meal application if their child doesn't get free or reduced-price meals already. Eligible families should expect to receive a notice by late March & P-EBT cards will be mailed separately. Please call the LIFRC at 36.468.4117 or P-EBT Contact Center at 833-518-0282.
