1/ The number of full-time days per contract year is determined by the district, with a minimum of 180 days. The length of a full work day is determined by the district. To determine partial FTE, divide the part of the day worked by the full day as determined by the district and then multiply the result by the ratio of work days contracted for to 180. No employee can be more than 1.000 FTE. Include state institutions staff.

2/ Except for subtotals and totals, total annual salary must equal FTE times average annual salary rate.

3/ Use three decimal places.
