- ❖ Kathy Booth
- ❖ Board and  
Advocacy Working  
Group
- ❖ Community

A faint, stylized illustration of a forest scene. On the left is a tall, dark evergreen tree. In the center, a fox-like animal with a long tail is walking towards the right. To the right of the fox, a bird is perched on a small bush or branch. The entire scene is rendered in a light, muted green color against a plain, light-colored background.
